

VERY SAD NEWS

Reigate Stepping Stones has been given notice by South Park Constitutional Club to leave their premises by the end of this coming March.

The Trustees have already started to look at other venues, but acknowledge that it will be hard to find something as good as the existing premises, the very comfortable and relaxing atmosphere, Pool Table, Darts, car parking, being able to have storage space and perhaps using our urn.

The Trustees would like to thank the South Park Constitutional Club Committee and their members for being generous for allowing the Reigate Stepping Stones Social Group run for seven and a half years in their premises and their support.

**If anybody knows of a venue that would be suitable, please contact David Murphy on
07597 781 624.**
